THE Y. SO MUCH MORE

In addition to the heart-pumping workouts you know us for, the Y offers heart-filled help as a charitable organization. We seek to educate, engage and empower our community to reach its maximum potential. We're helping kids, adults and families in all neighborhoods in areas of youth development, healthy living and social responsibility with programs and services from A to Z: aerobics, after school care, aquatics, day camp, youth sports, financial assistance and so much more.

There is a \$25 Capital Development fee for first time youth, senior adult, senior couple & young adult memberships. It is \$50 for family, adult, single parent & couple memberships.
